

## INFOPRINT 4247-L03 MULTIFORM PRINTER

### HIGHLIGHTS

- Print up to 600 characters per second (cps)<sup>1</sup> on up to 8-part forms on primary and secondary paper paths
- Reduce the need for user intervention with a reliable, heavy-duty design and remote printer management capabilities
- Ease integration with optional integrated Ethernet, USB 2.0 and serial, as well as standard parallel attachment
- Boost productivity with support for dual paper paths, auto forms loading, auto thickness adjustment, auto eject & restore and more

Designed to meet low- to mid-volume output requirements, the InfoPrint® 4247-L03 can provide reliable supply chain printing at an attractive total cost of ownership. A low cost alternative to laser technology, the InfoPrint 4247-L03 can deliver broad forms flexibility, support for wide format printing and the convenience of remote printer management. The optional integrated Ethernet attachment allows you to integrate this printer easily into a variety of environments.

### FOCUS ON PERFORMANCE AND UPTIME

Reliability and consistent performance are critical to supply chain success. The heavy-duty construction of the InfoPrint 4247-L03 makes it suitable for office-to-warehouse environments that require reliable point-of-need printing. The remote printer management software, which is included with the optional Ethernet feature, eases setup and minimizes output interruptions. This software enables remote configuration of multiple printers, via the user-friendly graphical interface and proactive printer monitoring to provide real-time printer status.

## SATISFY OUTPUT AND OPERATOR REQUIREMENTS

The InfoPrint 4247-L03 provides convenient front-loading primary and secondary paper paths capable of supporting two applications on one printer. The straight-through paper path design helps to ensure reliable forms feeding while enabling the use of

many paper types of varying thicknesses. Operators will appreciate the multi-lingual LCD display and intuitive, easy-to-use operator panel. The optional matching printer stand completes the solution and simplifies setup and location choices.

## RELY ON INFOPRINT SOLUTIONS COMPANY SERVICES, SUPPLIES AND EXPERIENCE
